

# Notice of weekend works for installation of site office cabins

February 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Installation of Additional Site Office Cabins

Over the weekend of Saturday 11 March and Sunday 12 March, we will be building additional temporary site office cabins behind the current site office building. This is to accommodate the increase in workforce on site.

The delivery and installation of these cabins will take place over extended working hours between 8am and 6pm on Saturday and 9am and 5:30pm on Sunday. The works require certain weather conditions and therefore if we are not able to install on the weekend of 11 and 12 March, we will install the following weekend (18 and 19 March).

The work will involve the delivery of eleven single story temporary cabins on large lorries. These will be lifted into position using a crane and hand tools will be used to fit the cabins together. The approximate location of the cabins is shown on Page 2.

These works need to take place using extended working hours to ensure the safety of our workforce and visiting drivers, who would normally travel under and close to the working area are required to install these factory-built cabins.

## Key impacts:

- Extended working hours
- Large deliveries outside of core working hours

The team involved in these works will be briefed about respecting the local community when bringing deliveries into site and keeping noise to a minimum when entering and leaving site.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Deliveries and installation of additional site office cabins on Saturday 11 March to Sunday 12 March. The working hours will be 8am – 6pm on Saturday and 9am – 5:30pm on Sunday.

## What to expect

Delivery of pre-constructed modular cabins on large articulated loads.

Working extended working hours.

## What we will do

Minimise disruption by constructing product in an off-site factory.

Install cabins behind the current site office helping to reduce noise.

Minimal use of hand tools, where possible.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
