

Update notice of works on Old Oak Common Lane

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We wrote to you in February 2023, about the works taking place along Old Oak Common Lane, including the current lane closure. This update outlines the next phase of work that is coming up along Old Oak Common Lane.

Extended working hours

As part of our ongoing programme of works, we need to cut the existing concrete retaining wall and backfill the area. This work is expected to start on Tuesday 6 June until Friday 30 June. Work will take place, between our core working hours of **8am and 6pm Monday to Friday** and **8am and 1pm on Saturdays**. See map on page two for location of works.

To support the work, we will be using large machinery to spread and compact the backfill material. Lorries will also be used to deliver and remove materials to the work site.

These works are required to take place to prepare the area around Old Oak Common Station for the safe relocation of the substation, which, will allow future tunnelling works to take place at the site.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works are expected to start on Tuesday 6 June between 8am and 6pm Monday to Friday and 8am and 1pm on Saturdays. The works are planned to finish Friday 30 June 2023.

What to expect

Large machinery (i.e., excavators, dozer, rollers) will be used as part of this work activity. We will be using lorries to deliver and remove materials.

Noise and vibrations

What we will do

We will use best practicable means to minimise any impact on our site neighbours by ensuring large plant is used only when necessary.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
