

Update notice of investigation work on Old Oak Common Lane

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain

We wrote to you earlier this month, about the works taking place along Old Oak Common Lane, including the current lane closure. This update outlines the next phase of work that is coming up along Old Oak Common Lane.

Trial hole investigation on Old Oak Common Lane northbound

As part of our ongoing programme of works, we need to undertake trial hole investigations on the northbound lane and footpath on Old Oak Common Lane. Works will be between Kildun Court and the existing substation. The work is expected to start on **Monday 3 July until Friday 14 July**. Work will take place, between our core working hours of **8am and 6pm Monday to Friday**. See map on page two for location of works.

A section of the existing lane closure on southbound lane will be moved to the northbound lane and footpath from **3 July to 17 July**. Once this work is completed the area will be backfilled and the single lane and footpath closure will go back to the southbound lane. As you may be aware, London Borough of Ealing will be resurfacing Old Oak Common Lane from **17 July to 21 July**, therefore our works need to be undertaken prior to this.

To support the work, we will be using a vacuum excavator, dumper, compaction equipment and small tools.

Pedestrian access through Old Oak Common Lane will be maintained and we ask you to follow the signage put in place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

3 to 14 July

Working hours:

Monday to Friday 8am to 6pm

What to expect

Vacuum excavator, dumper, compaction equipment and small tools will be used as part of this work activity.

The existing southbound lane and footpath closure will move to the northbound lane and footpath, with clear guidance for pedestrians.

What we will do

We will use best practicable means to minimise any impact on our site neighbours by ensuring plant is used only when necessary.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
