

Update notice of investigation work on Old Oak Common Lane

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain

Trial hole investigation on Old Oak Common Lane

We wrote to you earlier this month about trial hole investigations on Old Oak Common Lane. Works are currently taking place between Kildun Court and the existing substation. These works are now expected to finish on **23 July**.

Once this work is completed the area will be backfilled and the single lane and footpath closure will go back to the southbound lane. London Borough of Ealing will be resurfacing Old Oak Common Lane from **31 July to 2 August**.

We will also be working on the south end of Old Oak Common Lane from 31 July, for approximately five weeks. These works will be carried out intermittently, the dates are subject to change and we will keep the local community informed.

Depending on where the holes are positioned, there will be southbound and northbound single lane road and footpath closures on the south end of Old Oak Common Lane (dates are to be confirmed), whilst we carry out this work.

Work will take place, between our core working hours of **8am and 6pm Monday to Friday**. See map on page two for locations of work.

To support the work, we will be using a vacuum excavator, dumper, compaction equipment and small tools.

Pedestrian access through Old Oak Common Lane will be maintained and we ask you to follow the signage put in place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Work will take place during our core working hours of 8am and 6pm Monday to Friday. The work is planned to finish in early September.

What to expect

Vacuum excavator, dumper, compaction equipment and small tools will be used as part of this work activity. Southbound and northbound single lane road and footpath closures, with clear guidance for pedestrians.

What we will do

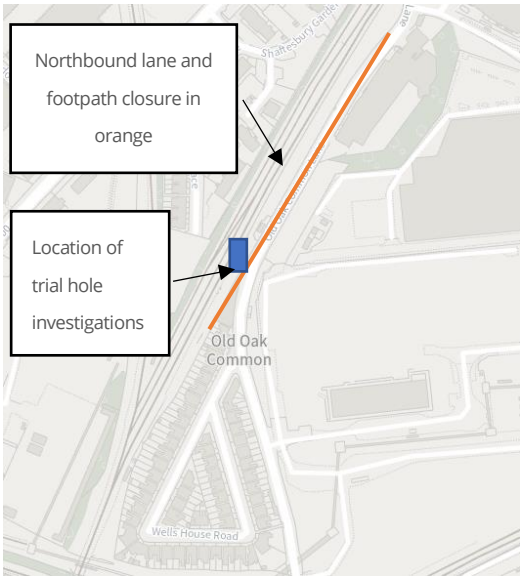

We will use best practicable means to minimise any impact on our site neighbours by ensuring plant is used only when necessary.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
