

# Notice of overnight road closure, A421, Fimmere

February 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandbox.co.uk](http://www.hs2inbucksandbox.co.uk).

## What are we doing?

Throughout the autumn and winter, we have been carrying out preparatory works for the main construction of the A421 realignment and permanent bridge. This new bridge will carry traffic over the HS2 railway and along the newly aligned A421 road.

This spring, we will be installing temporary narrowed lanes and carrying out surfacing works, which will include road markings such as white lining.

In order to facilitate these works, we will need to close this section of the A421 for one night with a diversion in place. This overnight closure is required because our teams will be working directly in the carriageway.

## When will these works take place?

The A421 will be closed overnight from 8pm to 6am on Friday 10 March 2023 for one night.

As a contingency, should there be delays to our works, the overnight closure of the A421 will be rescheduled and we will update communities accordingly.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
