

Notice of road closure, Cromwell Lane

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

Ahead of temporarily realigning Cromwell Lane we have to divert multiple utilities and reconnect them during the diversion. We need to do this as their current location clashes with the realigned road.

To carry out this work we will need to excavate a section of Cromwell Lane and relocate the utilities before then resurfacing the section. To be able to do this work safely we have to close Cromwell Lane between Red Lane and Hodgetts Lane.

When will these works be taking place?

Cromwell Lane will be closed between, **Red Lane and Hodgetts Lane**. These works will be carried out during the school half term break to minimize the disruption to the community. These works will be carried out on the following dates:

03 April 2023 to 14 April 2023

30 May 2023 to 02 June 2023

26 July 2023 to 01 September 2023

The closures will be in place **24 hours a day**. A fully signposted diversion will be in place throughout the closures and access to all properties will be maintained. Cromwell Lane will remain open for pedestrians and cyclists.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Cromwell Lane will be closed on following dates:

03 April to 14 April

30 May to 02 June

26 July to 01 September

The closure will be in place 24 hours a day

What to expect

Fully sign posted diversion will be in place

Some disruption to your travel times

Our workforce may be on site one hour before and one hour after, to set up and secure our equipment

What we will do

Update you on any changes at:
www.hs2inwarwickshire.co.uk
Keep all sites safe and secure

For further information, please join us at Burton Green drop in session on 16 March 2023, 3:15pm to 6:30pm

We would like to invite you to a HS2 drop-in session at Burton Green Village Hall.

High Speed Two (HS2) is the new high speed railway for Britain. We will be holding an informal drop-in event at Burton Green Village Hall where you can come and chat to your local Community Engagement team. At this event you will be able to:

- Find out more about project progress, construction and engineering work, traffic management and environment
- Talk to your local community engagement team about any queries you may have and community investment opportunities

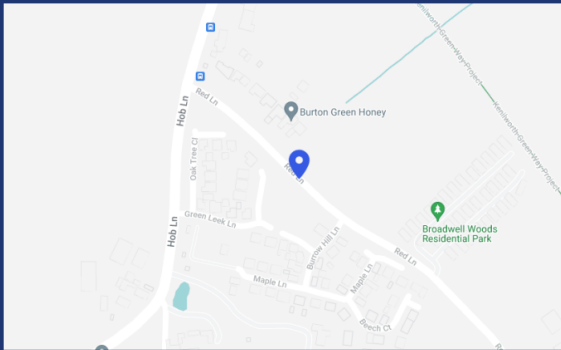

Contact our HS2 Helpdesk team on **08081 434 434**

FAQ

Some of our frequently asked questions in your area

Q: Why can't utility contractors do all their work on Cromwell Lane in one go to prevent disruption?

A: The HS2 Act committed to closing a road for a maximum of 28 days. Therefore, all our works need to be programmed to fit within that framework. Unfortunately, moving utilities can be difficult and there are specific regulations regarding the interaction between gas mains, electricity, telecommunications infrastructure, sewers and water mains. Due to the narrow road and proximity of utilities to each other, it would be unsafe to attempt to do two at the same time.

Q: What are you doing to prevent mud on the road left by works vehicles?

A: We have measures in place to prevent mud from being transferred from our sites onto roads. Firstly, we have road sweepers active around the site daily. For vehicles that go onto the public highway directly from site it is a requirement that vehicles pass through a wheel wash before leaving the site to remove any outstanding mud. As the vehicles may still be wet, they exit the site driving over the stone and enter the site over a concrete strip which absorbs any remaining water deposited. Our road sweepers help prevent the spread of any deposited mud that has not been removed by the on-site controls.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
