Update: Works in Camden Cutting north – mid-February to May 2023

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high-speed railway for Britain.

Track-level works in Camden Cutting north

In October 2022 we informed you there will be periods of increased noise as we construct the base for the Euston Cavern headhouse at track-level, next to 1 Park Village East. These works were due to begin in late-November, but due to delays will now begin in mid-February.

We will use a high-powered water blaster to expose the top of the piles before installing the concrete base on top (this helps the concrete stick together). The water-blasting can be noisy, but these works will be at track-level within the railway cutting and shielded by an acoustic tent. We will also take frequent breaks throughout the day to reduce the noise impact. We have previously found these measures to significantly reduce the level of noise.

We will construct the base in sections, meaning there will be periods of increased noise from the water blasting followed by quieter periods as we construct the base. We plan to start and finish pouring the concrete for each section within our normal working hours, but sometimes we may need to work as late as 10pm to finish the pour. Concrete will be delivered to our worksite via the lorry lay-by at the northern end of Park Village East.

We will continue to coordinate works onsite to manage the level of noise and reduce impacts where possible.

Where to find us for a chat – February

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
