Update: weekend works in Euston Approaches

November 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Weekend and extended hours site maintenance

Our site, offices and equipment require regular planned and unplanned maintenance. We frequently carry out maintenance work during extended hours when the office or worksite is not in use, and we can safely disconnect utilities or lift large equipment. This work is generally quiet, and we don't expect neighbours to notice.

We also carry out regular maintenance to our site hoarding once a month, on a Saturday night.

Weekend work at track-level next to Granby Terrace bridge – 11 November to 10 December

We are currently building a wall at track-level between the Network Rail and future HS2 tracks. This wall will also act as one of the supports for the new section of Granby Terrace bridge. For safety, we can only work on this wall when the tracks next to site are not in use i.e. during a rail possession.

We will work from 8am to 8pm on 11 and 12 November to build framework and pour the concrete to construct the wall. We will also need to work overnight during the following rail possession weekends from 10pm to 7am.

- 2 to 3 December
- 9 to 10 December

There may be periods of increased noise as we break out small sections of concrete next to the railway. We will monitor the level of noise from these works closely.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Track-level weekend work next to Granby Terrace bridge 11 and 12 November, 8am to 8pm and 2 to 3 and 9 to 10 December, 10pm to 7am

Overnight work on Granby Terrace bridge 25 November to 26 November, 9pm to 11am

Ongoing surveys and monitoring at track-level during weekends and overnight shifts

Overnight maintenance to traffic cameras 20 to 21 November, 7pm to 6am

Overnight hoarding maintenance 18 to 19 November

What to expect

Site team working on Granby Terrace Bridge and at track-level during weekends

Periods of increased noise during the concrete break

Quiet ongoing surveys and monitoring at track-level

What we will do

Monitor our works to ensure we are working within approved noise limits

Provide updates at HS2inCamden.co.uk

Contact our HS2 Helpdesk team on **08081 434 434**

Update: weekend works in Euston Approaches

Notification

www.hs2.org.uk

Overnight work on Granby Terrace bridge – 25 to 26 November

We will work overnight from 9pm Saturday 25 November to 11am Sunday 26 November, to install temporary supports on the parapet wall on Granby Terrace bridge. For safety, we can only carry out this work when the tracks below are not in use.

If we cannot complete the work on 25 to 26 November, we will complete it the following weekend from 2 to 3 December. This work will not be noisy or disruptive.

Ongoing surveys and monitoring at track-level within the Euston Approaches

We carry out regular surveys and monitoring of the bridges and structures within the railway cutting, to inform and assess the impact of our works. For safety, due to the location of these structures beside, above and below the railway tracks, we can only carry out these surveys when the tracks are not in use. This means we frequently carry out surveys during weekends and overnight shifts.

Maintenance and installation of traffic cameras – 20 to 21 November

We previously installed traffic cameras along our lorry route to monitor HS2 vehicles and ensure our drivers use the approved routes to and from site.

We need to close small sections of the lane and footpath whilst we complete maintenance works on North Gower Street and Prince Albert Road as well as install an additional camera on an existing lamppost on Adelaide Road.

We will carry out the work at night, between 7pm and 6am to limit the impact on traffic and pedestrians. We don't expect residents to notice these works.

What else is happening in your area?

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up to date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
