

Footpath diversion along the Northbound A38 at Streethay

The diversion will be place from Friday 3 March 2023.

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty VINCI (BBV) is working in partnership HS2 Ltd to build the new railway in your area. To support this and ensure the safety of the public, we will be diverting the footpath alongside the A38 Northbound at Streethay. The diversion will be in place for a minimum of two years, whilst we complete our construction programme.

If you have any questions about the footpath diversion, our HS2 Helpdesk team are available all day, every day, to answer your enquiries via:
