

Notice of temporary closure of Darnford Lane, Whittington

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

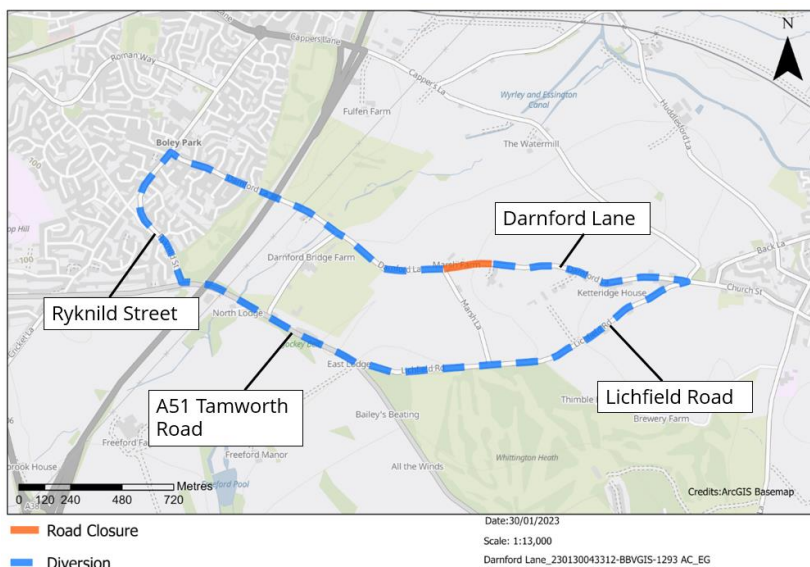

To enable the construction of the new railway we will need to divert utilities along Darnford Lane. These works will require sections of the carriageway to be excavated to enable the utilities to cross from the north to south side of Darnford Lane. Due to the width of the existing carriageway these works will require a temporary closure of Darnford Lane. We will also be undertaking some vegetation clearance works to create a safe working area.

When the work will take place

We will install a temporary road closure from Monday 20 February 2023 to Friday 24 February 2023. The closure will be in place 24 hours a day. Our working hours will be from 8am until 6pm.

Where we will be working

The map below details the road closure and the signed diversion route.
