

## **UPDATE - Notice of traffic management on Hallmeadow/Station Road Roundabout**

March 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

### **UPDATE**

We recently contacted you to let you know that this work would commence on 6 March 2023. We now intend to start this work on 14 March 2023 to avoid having two sets of traffic management in this area at the same time.

### **The work we will be doing**

HS2 will deliver one of the most environmentally responsible infrastructure projects in the UK, to help achieve this, Balfour Beatty Vinci (BBV) has been constructing and installing an internal haul road as part of our works. The haul road lets us take lorries off Kenilworth Road on to our site, reducing the number of large vehicles on local roads.

Following the completion of the parking bays on Hallmeadow Road, we will be starting further works to create a new entrance to this haul road. This will be at the southern end of the Hallmeadow Road at the roundabout with Station Road and will allow for deliveries to the south of the West Coast Mainline. In order to do this, a number of utilities that are in the existing verge will need to be diverted requiring traffic management on the roundabout. Please see Map overleaf.

### **When will these works take place**

Temporary traffic lights will be installed on 16 March and will be in operation all day every day until the new haul road is in operation in the summer. Please note that although the traffic lights will be in operation all day and all night the work will be limited to our core working hours. 8am until 6pm Monday to Friday, 8am until 1pm on Saturdays and not at all on Sundays and Bank holidays. If these dates change, we will send you a further update.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### **Duration of works**

Lights will be in operation all day, every day from 16 March 2023 until completion in the summer.

Our working hours are. 8am until 6pm Monday to Friday, 8am until 1pm on Saturdays and not at all on Sundays and Bank holidays.

### **What to expect**

Slightly longer Journey times due to traffic lights.

Low level noise from our work.

Our work force maybe on site one hour before and one hour after the closure.

### **What we will do**

Keep you up-to-date with any changes at [www.hs2insolihull.co.uk](http://www.hs2insolihull.co.uk)

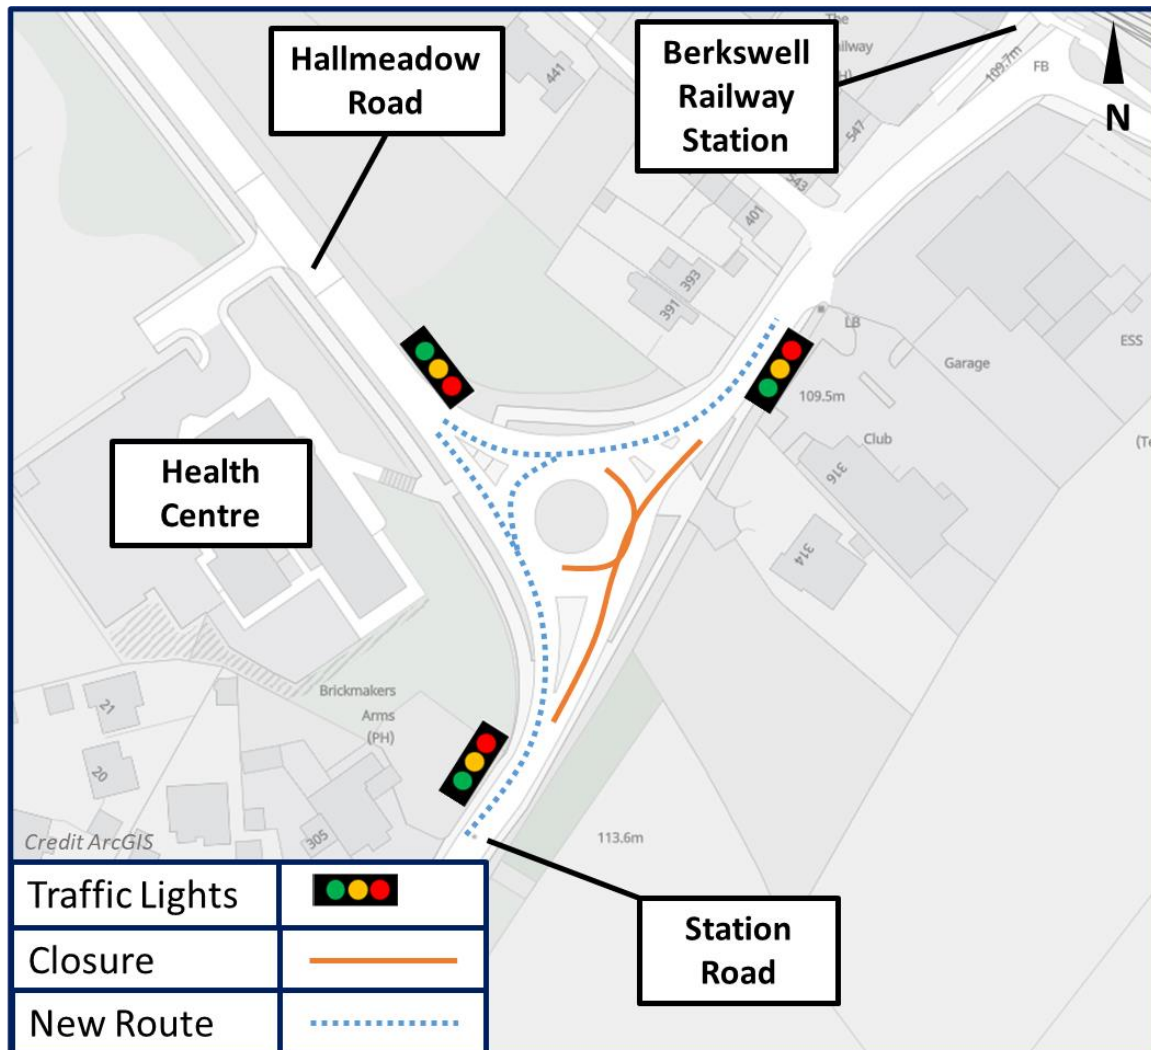

Keep all sites safe and secure.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
