## Herlwyn Avenue borehole inspections

February 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at [hs2inhillington.co.uk](http://hs2inhillington.co.uk).

### HS2 & SCSJV information hub

The community information hub is now open for drop-ins on **Mondays** and **Wednesdays** from **2pm** to **4pm**.

Our community engagement team is available to answer your questions about the project and our works in Hillingdon and Northolt.

You can find us in the portacabin on the right of the West Ruislip Portal Site entrance on Ickenham Road.

### What we are doing

We will be inspecting two boreholes located in the road at Herlwyn Avenue. The boreholes were created earlier in the HS2 project to investigate ground conditions in the area before tunnelling began using the Tunnel Boring Machines (TBMs).

You may be aware of an incident on Saturday 18 February where foam appeared out of the ground at the edge of the Ruislip Rugby Club playing fields. The foam came out of a borehole that had not been sealed completely when the TBM passed underneath it. The foam is biodegradable and not toxic.

To avoid this happening again, we are checking other boreholes along the route of the TBMs. In the next few days, you may see our contractor carrying out an inspection of the boreholes. Please see the map overleaf showing the approximate location of the boreholes.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out about HS2 and properties along the route by visiting:
