

Notice of A452 Southbound Road Closure

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

BBV have been significantly reconfiguring the junction of the A446 Stonebridge Road and A452 Chester Road near Birmingham Business Park. The new bridge over the A446 that carries the southbound slip road is already open to vehicular traffic, however as we move to completion some extra work is needed to create a pedestrian footway and some new laybys. To do this safely we will need to close the road at night between 6 March and 18 March from 9pm at night until 6am the following morning. Between 9-12 March we will not close the road until 10pm to minimise the disruption during the Crufts dog show at the NEC. A fully signed diversion will be in place. (See the map below)
