

Notice of Road Closure, Addison Road, North Calvert

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In late February 2023, we will be closing Addison Road to complete the construction of the new section of road to connect the existing highway to the new Addison Road bridge and realignment.

Our teams will be working to construct a new section of bridge and highway tie-in for the permanent realignment of Addison Road.

To carry out these works safely and effectively we will need to close a section of Addison Road with signed diversions. This is for reasons of safety, as our operatives will be working on and around the carriageway.

When will these works take place?

Addison Road will be closed 24-hours a day from Monday 27 February to summer 2023.

Access to residential properties and businesses will be maintained with caution.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
