

Notice of road closure, Banbury Road, Thorpe Mandeville

January 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

We will be carrying out utility works along Banbury Road in Thorpe Mandeville. Building on the work completed in autumn 2022, Anglian Water will be completing the water connection procedure during late February to early March 2023.

Anglian Water are carrying out this work on our behalf and they will be working directly on the highway. For safety reasons and due to the narrow road width, we need to fully close this section of road for approximately 3 weeks.

When will these works take place?

A section of Banbury Road will be closed 24-hours a day from Monday 20 February to Sunday 12 March 2023 with a diversion route in place.

If we are able to complete the work sooner, we will open the road earlier.

These dates may be subject to change due to circumstances outside of our control, such as poor weather conditions.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
