High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

## The work we will be doing

To continue preparation for our works for the Water Orton Viaducts that will carry the HS2 trainline over the M42 and M6 Toll, we will complete utility diversion works along Gilson Road.

## Traffic management

As part of our continued 24-hour traffic management that is in place on Gilson Road until Friday 31 March, we will install five nights of overnight closures on this section of Gilson Road. The closures will take place from Monday 13 March finishing on Saturday 18 March, with the traffic management in place from 9.00pm until 5.00am each night. A clear diversion route will be in place throughout the time of the closures and the location of this is shown below.
