

Update: Notice of environmental works on land off Kings Bromley Lane, Kings Bromley

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty and its appointed subcontractors are working on behalf of HS2 Ltd to carry out early environmental works between Lichfield and Crewe.

What we are doing

As part of our early environmental works, we will establish critical environmental and species relocation sites creating new habitats for local wildlife before any main work starts.

We must plant, by hand, 180,000 tree and hedge plants along the route, and approximately 8,000 of these will be planted off Kings Bromley Lane. There is a short window of opportunity during March when we can carry out this work.

In order to do this, we will be planting on four consecutive Saturdays from 4 March to 25 March 2023. We will work between 8am and 4pm **this will be in addition to the normal working week Monday to Friday 8am to 6pm**

The planting will be carried out by hand, without machinery, so that the work will not cause any excess noise.

When the work will take place

We will be working on:

Saturday 4 March, Saturday 11 March

Saturday 18 March, Saturday 25 March

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Every Saturday from 4 March 2023 to 25 March 2023, between 8am and 4pm, in addition to the normal working week of Monday to Friday between 8am and 6pm

Please note that the time and date in this notification **may** be subject to change

What we will do

Carry out the works in compliance with the Code of Construction Practice.

Inform you in advance of any changes to the dates and working times shown

What to expect

Some low-level noise

Movement of vehicles on/off Kings Bromley Lane will be kept to a minimum.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities can apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
