

## Notice of works on Upper Woburn Place and Tavistock Square

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

### Utilities and drainage works on Upper Woburn Place and Tavistock Square from 13 March to 4 April 2023

#### What are we doing?

Colt telecommunications will be carrying out utility diversion works on Upper Woburn Place and Tavistock Square. To carry out these works safely, we will need to introduce 3-way temporary traffic management in the form of a lane closure northbound on Upper Woburn Place and lane restrictions on Tavistock Square. To help reduce the impact on the local area, Transport for London (TfL) will be using the same traffic management to carry out drainage repairs on Upper Woburn Place between Endsleigh Gardens and Euston Road.

Bus stop L, the bus lane, the pedestrian crossings and 6 parking bays on Upper Woburn Place will be suspended during these works. We will also need to suspend 2 taxi bays in Tavistock Square.

## COLT and TfL works on Upper Woburn Place and Tavistock Square

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

### What other works are taking place in the area?

At the same time as the above works are taking place, we will be removing the central reservation on Euston Road in the area adjacent to Euston Station. We informed you about these works in our previous update (HS2-MW-MD-Ph1-EuSt-S3-Prog-works-7-27/01/202).
