

## Notice of works on Euston Road – lane closures

February 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

### What are we doing?

From 20 February until June we will carry out works to remove the central reservation of Euston Road between Gower Street and Eversholt Street to enable future utilities and tunnelling works.

Removing the central reservation will allow us to create space for worksites and temporary traffic lanes across the full space of the roadway. There will be lane reductions although we will maintain both east and west bound traffic flow.

These works will cause traffic delays and disruption to those using Euston Road and the surrounding roads. We would like to apologise for any inconvenience caused and are working to minimise impacts as far as possible.

We have ensured that the needs of pedestrians, cyclists and vulnerable road users are considered and addressed in the design of the temporary road layouts and crossings. Cyclists should note that road conditions will change, and lanes will be narrower. You may prefer to use alternative dedicated cycle routes to the south along Tavistock Place. Please check before you travel on [www.TfL.gov.uk/HS2](http://www.TfL.gov.uk/HS2)

### When will these works take place?

The works will take place in three main phases, working from east to west. Phases of works will overlap, and works will take place in more than one phase at a time. **Please see the map of the phases on the next page**

Phases 1 & 2 (20 February – early May)

- The first two phases are between the junctions with Eversholt Street and Gordon Street. Two traffic lanes will be open in each direction.

Phase 3 (April to June)

- The third phase is between the junctions with Gordon Street and Gower Street with two lanes open eastbound and three lanes open westbound.

### Duration of works

- Monday 20 February on going to June 2023

### Working hours

- 8am to 6pm weekdays
- Saturdays 8am to 1pm
- Night works 10pm to 5am
- Works may take place at other times
- We will start-up and close-down activities up to one hour before and one hour after normal working hours above

### What to expect:

- **Traffic delays**
- Noise while breaking the road surface
- Traffic lane and/or bus lane closures
- Bus stop suspensions

### What we will do:

- We will take measures to reduce noise and dust
- Use of acoustic blankets when breaking out the road

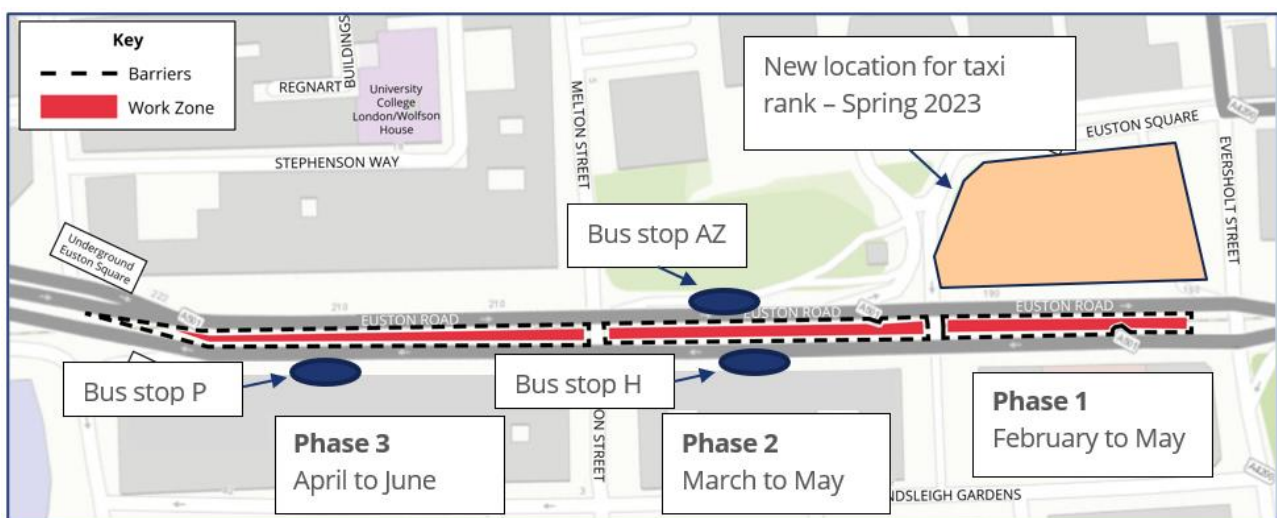

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)

## What to expect

- Closure of traffic lanes and the suspension of bus lanes
- The speed limit of Euston Road will be reduced to 20MPH
- Lane widths will be narrower than usual
- Traffic delays – please allow more time for your journey
- Traffic management, with 2m heras fencing around worksites
- Pedestrian crossings on Euston Road will remain open, with marshals in attendance at some times.
- Deliveries to and removal of materials from our worksites.
- Bus stop suspensions: stop AZ (Euston Road eastbound) will be suspended from late March. Stop H (Euston Road westbound) will be suspended for short periods from late March and into April, with suspensions primarily being at night. Bus stop P will remain open. To find alternative bus stops please visits: [www.tfl.gov.uk/maps/bus](http://www.tfl.gov.uk/maps/bus)

## Central Reservation Removal works – February to June 2023

## Night and weekend working

We will also undertake some activities at night and weekend working to avoid disruption to commuters, the taxi rank and Euston Road. This includes works to install temporary signals, concrete works, lane marking and reinstatement of the roadway. These works will require additional localised lane closures typically between 10pm and 5am. Where additional traffic management has been used at night it will be removed as soon as possible, with traffic lanes reinstated for daytime use.

A section of Gordon Street will be closed at night as part of works to the traffic signals at the junction with Euston Road between 12-28 March.

Please refer to our January ANL for information about ongoing works in the area, including works to the new taxi rank and preparations for utilities works in the area of the existing taxi rank; HS2-MW-MD-Ph1-Eu-St-S3-UT-1-04/01/2023.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
