

Gas pipeline diversion work at Yarlet

TX31 HS2 gas pipeline diversion

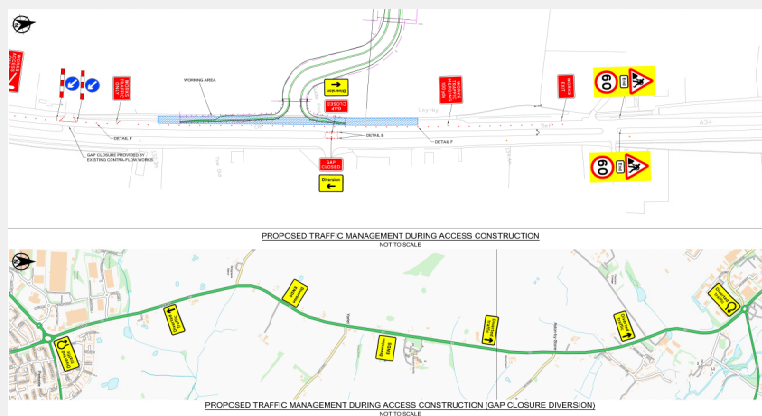

Extracts from the local traffic management plan detailing works affecting highways and footpaths.

High Speed Two (HS2) is the new high-speed railway for Britain. To allow for the build and operation of the new railway, National Grid is legally required to move some overhead lines, pylons and gas pipelines along the HS2 route.

The new HS2 railway will pass above one of our existing gas pipelines in Yarlet. To ensure the pipeline continues to operate safely and reliably, we need to divert it. **None of our work will affect gas supplies.**

Works affecting highways

- **From 6 March to 19 May 2023** - we'll close the inside lane on the northbound carriageway of the A34 Stone Road opposite the Greyhound Pub. The gap within the central reservation (which allows traffic to turn right into Yarlet Lane and also turn right out from Yarlet Lane onto the A34 northbound) will also be closed and a diversion via the A34/A51 roundabout to the north will be in place.
- We'll construct the site access during this lane closure, which includes the creation of a bellmouth entrance and a haul road.
- **From 19 May to 22 December 2023** - site access signage will be placed on the northbound A34 Stone Road.
- We have permission from Staffordshire County Council for the traffic management measures which are in place for the safety of our workforce, people and road users and to maintain access for residents.
- No other amendments to traffic, bus, cycle routes.

Indicative schedule for gas diversion works:

March 2023
Works to start

Winter 2023
Completed

Contact National Grid

Please call our community relations team if you have any queries about our work or our role on HS2.

Send an email to:
HS2.Info@nationalgrid.com

Call our freephone number:
0800 073 1047

We're available daily 7am to 7pm

Contact HS2

If you have a general enquiry regarding HS2, please call the HS2 Freephone Community Helpline which remains operational all day, every day, and is your first point of contact should you need advice or information from HS2.

Gas pipeline diversion work at Yarlet

Public Rights of Way (PRoW) closures

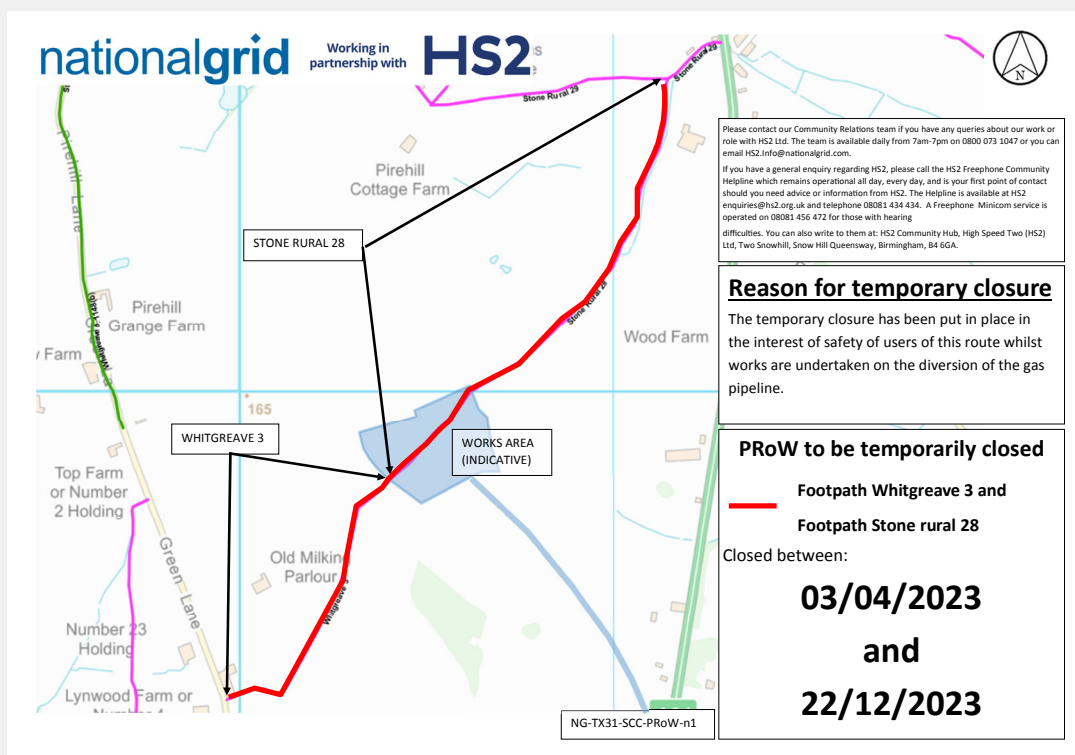

We'll also need to temporarily close several Public Rights of Way (PRoW) in the interest of safety of users of these routes.

This includes:

- PRoW Whitgreave 3/Stone Rural 28 - **from 3 April to 22 December 2023. As the path crosses our main works area.**
- PRoW Whitgreave 2 - **from 6 March to 19 May 2023. To allow for site access and haul road construction.**
- PRoW Whitgreave 2 - **from 19 May to 22 December 2023. A path diversion will be in place on the southern side of site access and the haul road.**

We'll post notices in advance of the closures at each end and on connecting footpaths.

PRoW Whitgreave 3/Stone Rural 28 – closed from 3 April to 22 December 2023. As the path crosses our main works area.
