

HS2

UKPN works at Willesden Euro Terminal site

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing?

In order to provide power to the Tunnel Boring Machines, UK Power Networks (UKPN) need to carry out electricity cable installation works within the Network Rail site adjacent to Channel Gate Road, Willesden.

We will be installing electricity cable ducts by excavating and undertaking open cut trenching.

All relevant consents/site access from stakeholders/landowners will have been obtained before the work starts.

UKPN will be working for three consecutive weekends: Saturday 4 March from 3pm to Monday 6 March 3pm; Saturday 18 March from 3pm to Sunday 19 March 10:30pm; and Saturday 25 March from 3pm to Monday 27 March 3pm.

Our works will be continuous during these times. The timings have been agreed with Network Rail to minimise disruption to train schedules whilst we work around their tracks.

How will this impact you?

UKPN will be working in the area highlighted on the map on page 2. These works will have minimal noise and vibration impact to the community around. We have worked with Network Rail so there may be differences in train schedules which utilise these lines during our works. All access will be maintained for the public and road users.

There will be no impact to your electricity supply as a result of these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration

Three consecutive weekends:

- Saturday 4 March from 3pm to Monday 6 March 3pm
- Saturday 18 March from 3pm to Sunday 19 March 10:30pm
- Saturday 25 March 3pm to Monday 27 March 3pm

What to expect

Noise and vibrations levels will be low, and access will not be affected

What we will do

Maintain electricity supplies

Complete the work as quickly as and maintain access throughout

Keep you informed of any changes

Map showing the working area covered by the notice

Map showing the section of the Network Rail site where cable duct installations will be conducted. Red dotted line shows the area where we will be undertaking our works.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/

Contact us

Contact our HS2 Helpdesk team all day, every day of the year on:
