

HS2

Notice of UKPN Construction Works

February 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing?

In order to deliver power to the Tunnel Boring Machines, UK Power Networks (UKPN) need to carry out electricity cable installation works within the Willesden Euro-terminal (WET) site.

We will be working on the logistics bridge in the WET site installing electricity cable ducts. As the bridge is operational during the weekdays and weekend during the day, we will be undertaking our works during the night. We will be working from Monday 27 February evening until Friday 3 March, between the hours of 6pm and 6am, and will limit any breaking out of concrete to finish by 11pm.

We will install acoustic blankets to minimise the noise levels as much as possible.

All relevant consents/site access from associated stakeholders and landowners will have been obtained prior to the commencement of work.

How will this impact you?

UKPN will be working in the area highlighted on the map on page 2. You may hear noises related to breaking out concrete until 11pm on the evenings that we are working.

The works will not affect access to Atlas Road.

There will be no impact to your electricity supply as a result of these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration

Monday 27 February until Friday 3 March.

Our core working hours are 6pm and 6am.

We will be on site one hour before and after the end of each shift

What to expect

If you are near the WET site, you may hear excavation and back filling noises.

Access on Atlas Road will not be affected as works are within the WET Site.

What we will do

Maintain and install electricity supplies

We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

We'll keep you informed of any changes.

Map showing the working area covered by the notice

Map showing the section of the Willesden Euro-terminal (WET) site where cable duct installations will be conducted. Red dotted line shows the area where we will be undertaking our works.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/

Contact us

Contact our HS2 Helpdesk team all day, every day of the year on:
