

Installation of traffic cameras on Hanger Lane

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works planned on Hanger Lane

On 22 March 2023, we will be installing traffic management cameras in four locations on Hanger Lane. The cameras will be installed onto existing lamp columns via a mobile platform from either a bus lane, cycle lane, pedestrian footway, or parking bay (location dependent).

The cameras will help us monitor lorry movements and ensure we keep within the levels agreed with the local authority. The system has been developed to monitor only those vehicles being used for HS2, and no information relating to other road users will be captured. The cameras will be in place for the duration of the HS2 works.

The installations will take place between 8am to 6pm and will take around two hours. We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

How this might affect you

To ensure the safety of the public and our staff, temporary changes will be in place at each installation location (shown on the following page and detailed below):

- Hanger Lane (Cleverly Close) A - Partial footway closure and lane closure
- Hanger Lane (Cleverly Close) B - Partial footway closure

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
