Notice of traffic management, A41

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In April, as part of Phase 1 of the A41 realignment, we will be carrying out ground investigations (GI) works along the A41.

We will be drilling under the road to gain a sample of the existing materials used, so that it can be replicated when we join the new alignment with the existing A41 later in the year.

As we will be conducting these GI works close to the local highway, we will need to introduce traffic management in the form of a lane single closure with traffic lights to complete the works safely.

When will these works take place?

There will be traffic management on A41 Bicester Road for the GI works on Friday 21 April 2023, from 9am – 3pm.

These dates may change due to circumstances outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Where will the works take place?

The map below, highlights the section of the A41 that we will be working along.

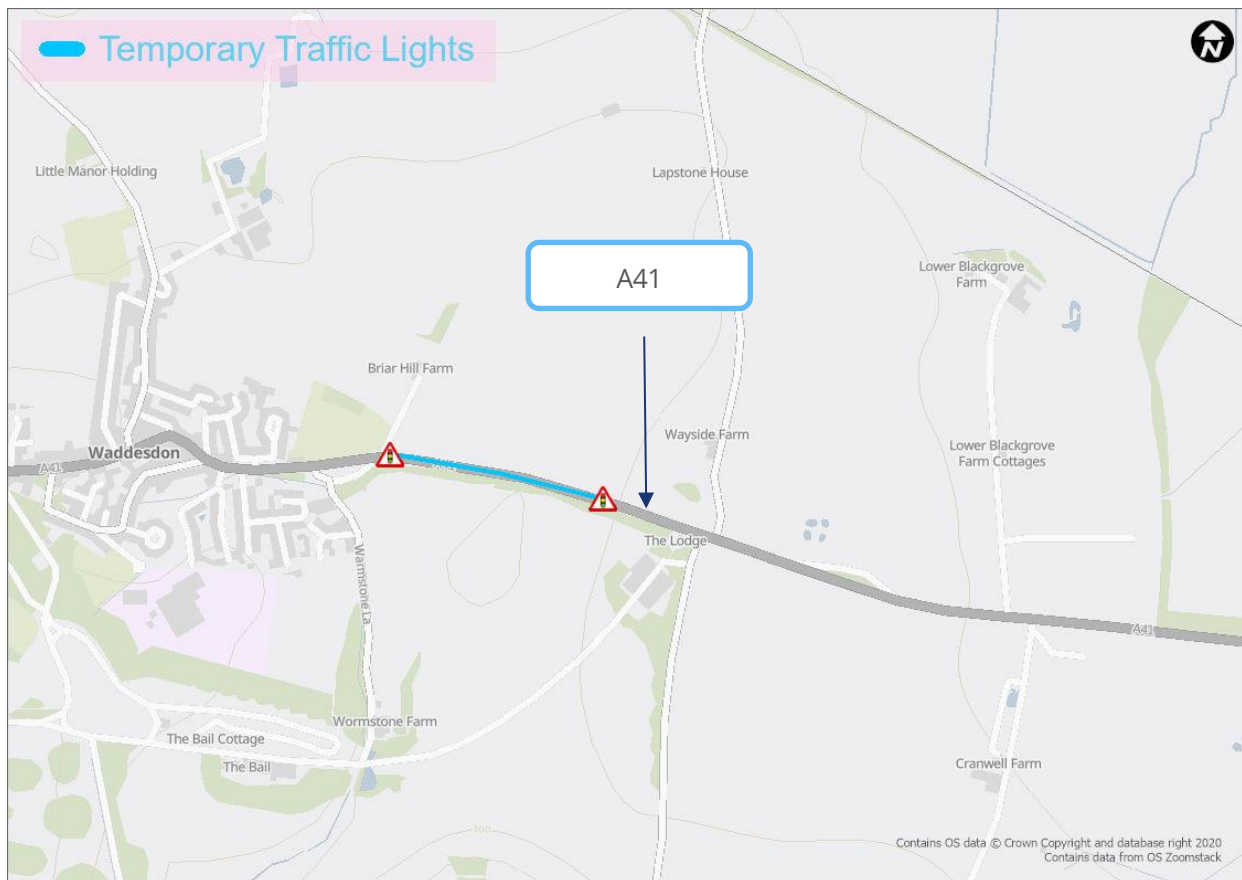

We will install temporary traffic management in the form of a lane closure with rolling traffic lights. Using rolling lights will help manage traffic flow within the area highlighted on the map below.

- A41 – GI works – Friday 21 April 2023

There may be a short duration outside of the advertised times to allow for our traffic management crews to set-up or take-down road signage and traffic equipment. Lane closures will not be operational during these times; however, you may see our crews setting up within the highway.

When will the new A41 realignment be opened?

The main works for the A41 realignment will be completed in two phases. Phase 1 will be the realignment of the A41 east section which will be completed in the Summer of 2023. Phase 2 will be the realignment of the A41 west section due to be completed in Autumn 2023.
