Notice of traffic management, A423, Southam

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

In April, EKFB will continue works for the permanent realignment of the A423 and the construction of the A423 Banbury Road Overbridge. We will be carrying out utility diversions within several sections of the A423, from the area just north of Ladbroke towards Southam.

In order to safely carry out this work, there will be daytime, two-way and three-way traffic lights, between 11 April and 5 May 2023. The exact location of the traffic lights and their duration each day will vary as the work progresses.

The A423 Banbury Road Overbridge will require construction activity close to the existing highway. To enable this the northbound A423 layby, located just north of Ladbroke, will be permanently closed just after the Easter weekend, from 11 April 2023. A new layby will be constructed as part of our highway construction and we expect this to be open in early 2025.

When will these works take place?

A section of the A423 Banbury Road will have traffic lights in place from Tuesday 11 April to Friday 5 May 2023, between 8am and 5pm.

The layby located on the northbound side of the A423 will also be permanently closed from Tuesday 11 April 2023.

These dates may be subject to change due to circumstances outside of our control, such as poor weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

The A423 will have two-way traffic lights from Tuesday 11 April to Friday 5 May 2023.

Normal working hours:

Monday to Friday

8am – 5pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Traffic lights on a section of the A423 during April.

Permanent closure of the layby located on the northbound side of the A423 near Southam. A new layby will be available in 2025.

Access will be maintained for residents and emergency services.

What we will do

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Notification

Where will the works take place?

The map below shows the approximate area of the existing northbound layby that will be permanently closed on 11 April 2023. As part of our A423 Banbury Road Overbridge highway realignment, a new layby will be available in 2025.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
