

Notice of Road Closure - Coleshill Heath Road - Chelmsley Wood

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The Work we will be doing

The new railway will be elevated on an embankment as it passes over Coleshill Heath Road. To ensure that our work does not affect the supply, a number of utilities will need to be diverted over the bridge section of Coleshill Heath Road. To protect our workforce and all road users we will be installing temporary safety barriers. To do this safely we will need to close the road completely for one night on 15 April from 8pm until 6am the following morning. A fully signed diversion will be in place.

Location Plan

Duration of works

15 April from 8pm until 6am the following morning.

What to expect

Low level noise from our work.

Our work force maybe on site one hour before and one hour after the closure.

Fully signed diversion - Please allow an extra 10 minutes.
