

# Notice of Road Closure

## Diddington Lane – Hampton-in-Arden

March 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

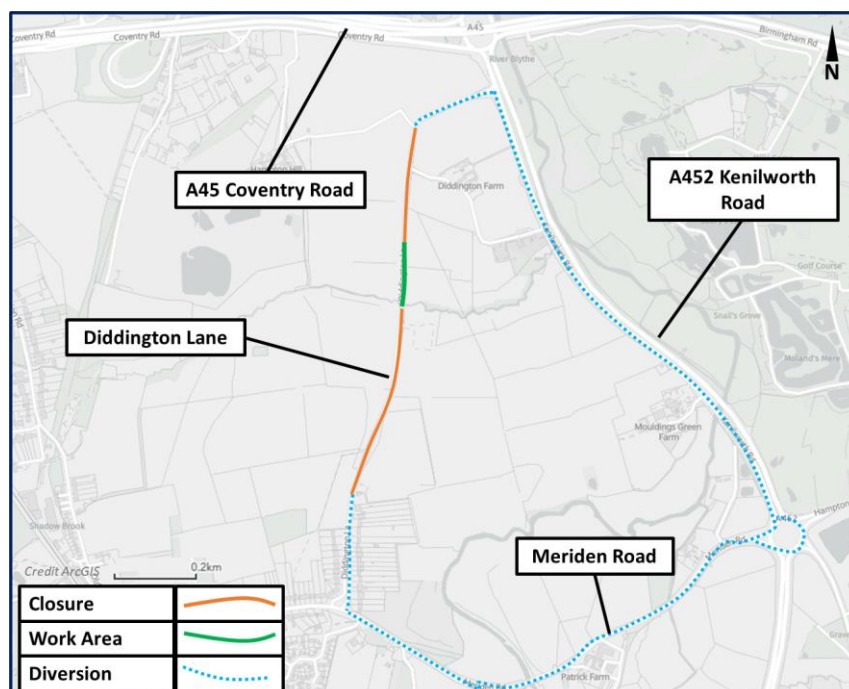

### The work we will be doing

The new railway will pass over the River Blythe on a viaduct before entering a deep cutting on the approach to the A45. Before we start to excavate the cutting there are a number of utilities that will need to be safely diverted to avoid interrupting the supply. To minimise disruption, we will close Diddington Lane at night only, between 8pm and 6am on weekdays. Access for residents will be maintained at all times. You can expect only a very low level of noise which will be monitored at all times.

### When will the work take place

The road will be closed between 8pm and 6am Monday – Friday from 11 April until 6 May 2023.

### Location plan

### Duration of works

11 April until 6 May 2023. 8pm until 6am weeknights only.

### What to expect

Low level noise from our work.

Our work force maybe on site one hour before and one hour after the closure.

Fully signed diversion.
