

Notice of works to the East of Euston Station

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Mace Dragados is the Construction Partner building the new HS2 station in Euston.

Interim Taxi Rank construction – Bus Station Closure

What are we doing?

We wrote to you in January 2023 regarding the Bus Station closure (Reference number: HS2-MW-MD-Ph1-Eu-St-S3-UT-1-04/01/2023). As part of our ongoing road realignment, we need to carry out additional works at the junction of the bus station and Eversholt Street. To do this we need to close the bus station for three further consecutive weekends in March and one weekend in June.

During the weekend closures, bus routes 30, 73, 205, 390, N73 and N205 will use bus stop AZ on Euston Road. Other routes will stop short of their normal destination or be on diversion. Please plan ahead using the TfL Journey Planner or check before you travel by visiting the TfL Status updates page. To find alternative bus stops please visit: www.tfl.gov.uk/maps/bus

When will these works take place?

Friday 24 March to Sunday 26 March, Friday 31 March to Sunday 2 April and Saturday 10 June to Sunday 11 June 2023. (from Friday 9.30 pm to Sunday 05:00 am)

This is to widen the junction between the bus station and Eversholt Street to accommodate taxis in the future.

We will take measures to reduce noise by using acoustic blankets when breaking out the road and footpath.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of bus station weekend works:

- Friday 24 March to Sunday
- 26 March
- Friday 31 March to Sunday 2 April
- Saturday 10 June to Sunday 11 June

Working hours:

Friday 9:30 pm to Sunday 5.00 am

Duration of traffic signal upgrade works:

24 March to June

Working hours:

8am to 6pm weekdays

- We will start-up and close-down activities up to one hour before and up to one hour after working hours above

What to expect:

- Bus station closed
- During the bus station closure – bus diversions
- Alterations to the public footpaths
- Traffic management
- New traffic signals

What we will do:

- Use of acoustic blankets when breaking out the road and footpath

Traffic signal upgrade works in Grafton Place and Eversholt Street

What are we doing?

On behalf of Transport for London we will be upgrading the traffic signals at the junction of the bus station and Eversholt Street.

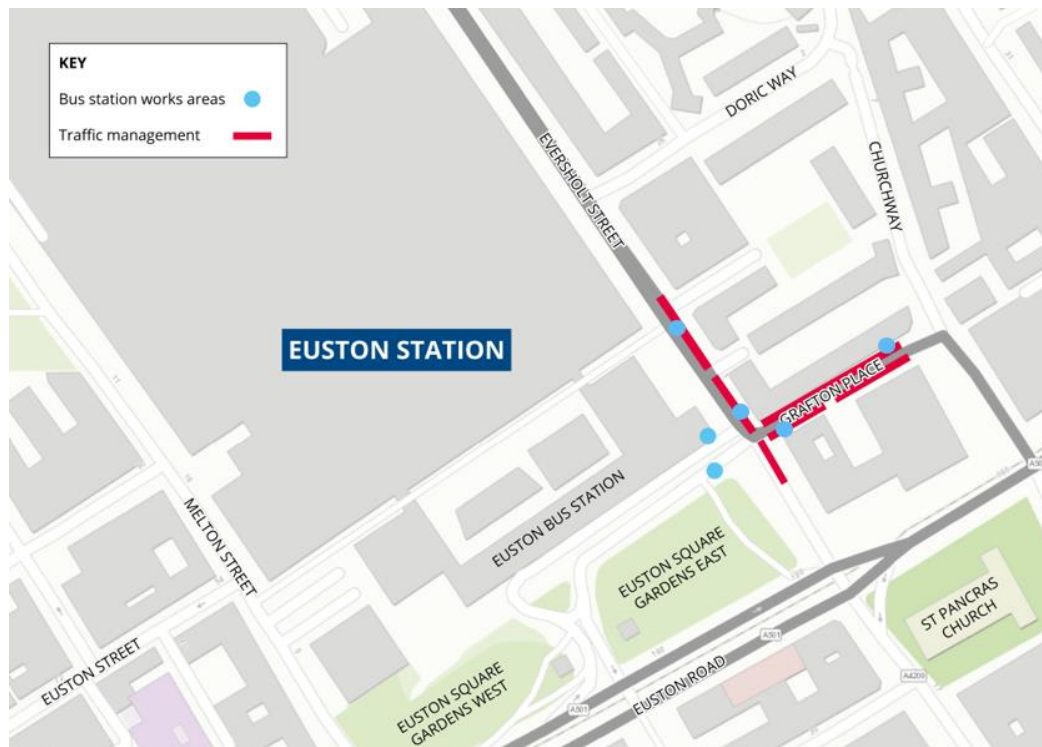

Temporary traffic signals will be installed while we decommission the current signals and install new ducting and traffic signals.

These works will be carried out on Eversholt Street south, Grafton Place and Wellesley Place. We will need to use temporary traffic signals on Eversholt Street to control, southbound traffic during these works.

When will these works take place?

Works on the junction at the bus station and Eversholt Street will start on 24 March until works are completed in June. During May, Grafton place will require to be operated on a one-way traffic route, diverting the westbound traffic for two weeks.

We will maintain access to all residential properties and businesses.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect utility connections in the areas.

Updates will be sent to you regularly outlining the next stages of works in the area including any alterations to the programme. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Contact our new HS2 Helpdesk team

Our new Helpdesk team is based in our Head Office in Birmingham. This is so that we can provide you with the best service possible. Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: HS2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
