

Notice of Road Closure, Gawcott Road/Perry Hill

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In early April 2023, we will be closing Gawcott Road/Perry Hill to continue works on the new road alignment.

Our teams will be constructing the new sections of road which will join the existing highway. These will form part of the new Gawcott Road/Perry Hill alignment.

To carry out these works safely and effectively we will need to close a section of Gawcott Road/Perry Hill with signed diversions. This is for reasons of safety, as our operatives will be working on and around the carriageway.

During this closure, there may also be temporary traffic lights installed elsewhere on the local road network for related works such as utility connections.

Bus services will be maintained with temporary changes to local timetables affecting Calvert Green for the duration of the closure. The new bus timetables will be communicated separately via the passenger transport pages on the Buckinghamshire Council website.

When will these works take place?

Gawcott Road/Perry Hill will be closed 24-hours a day from Monday 3 April to Sunday 30 April 2023.

There will be no access through this section of road during this period. Emergency services have been advised of the closure

These dates may change due to conditions outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
