

Notice of A46 emergency southbound slip road closure

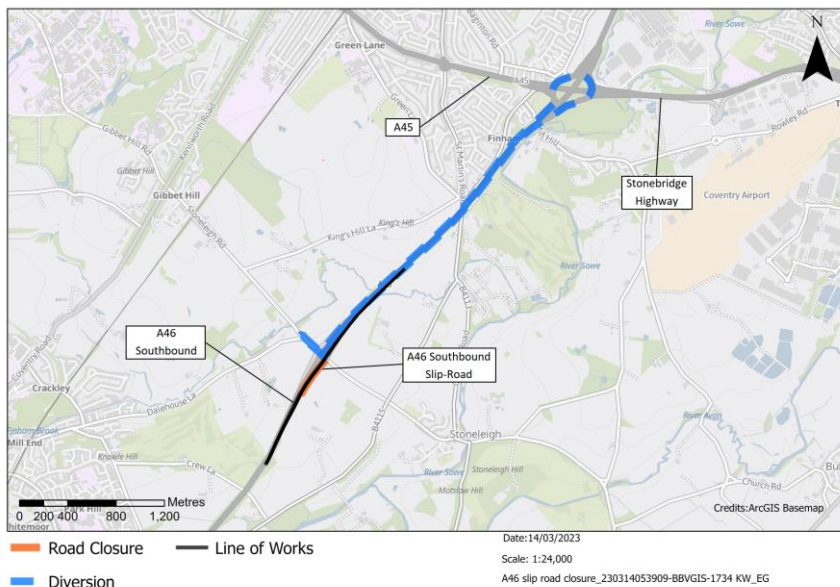

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

14 March to 15 March 2023, 8pm to 6am

Following a collision, we need to carry out emergency repairs to the VRS (vehicle restraint system) on the southbound slip road of the A46 at the Stoneleigh junction. To do this work we will need traffic management on one lane of the A46 and a full closure of the southbound slip road at Stoneleigh junction. There will be a full diversion in place heading north to Festival Island (A45) and returning southbound on the A46.
