

Notice of extended working hours in Water Orton, Gilson and Coleshill

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

Extended working hours

To allow us to progress earthworks in your area, our working hours for our sites within Gilson, Coleshill and Water Orton will be extended from 18 April to 29 September. Throughout this time our working hours will be 7.00am until 7.00pm, Monday to Friday. Our contractors may however be on site up to an hour before and after these times to set up and close down the sites.

Earthworks activities may include the excavation, transportation, storage and compaction of materials within our sites. This will support the construction of earth structures and allow us to continue to set up our work sites.

Unless previously notified about, we do not currently plan to carry out any other type of on-site work outside of our standard core working hours and will notify you should this change. Core hours are 8.00am until 6.00pm on weekdays and 8.00am until 1.00pm on Saturdays.

Drop-in events

We will be hosting drop-in events in your area on the following dates:

- Wednesday 31 May 2023, 4.00pm - 7.00pm at Coleshill Town Hall, High Street, Coleshill, B46 3BG
- Tuesday 7 June 2023, 1.00pm - 4.00pm at Community Centre, Temple Way, Coleshill, B46 1HN

At these drop-in events, you will be able to talk to your local community engagement team about any concerns you may have, see maps and plans of the project near you and ask questions and explore the proposals. You do not need to sign up to attend this event.
