Notice of traffic management on A446, **Watton Lane and Gorsey** Lane, Coleshill

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue to prepare for our works to construct the Chattle Hill Structure, that will carry the HS2 railway over the A446, we will complete trial holes on sections of the A446 and Gorsey Lane. Trial holes are created to assess the condition of the ground prior to construction. As well as this, we will also complete utility diversions along the A446 and Watton Lane.

Overnight closures

To complete the trial hole works safely, we will install seven overnight closures along sections of the A446 and Gorsey Lane. The works will take place from Monday 17 April until the morning of Wednesday 26 April, with closures installed from 8.00pm until 5.00am each evening. No work will take place overnight on Saturday 22 April or Sunday 23 April. Residents access will be maintained throughout, there will be a diversion whilst the closure is in place and access to Gorsey Lane will be maintained at all times via traffic marshals.

The location of the closure and the diversion route is outlined on page two.

Traffic light system

To complete the utility diversion works safely, we will install traffic management on the A446 and Watton Lane.

The traffic management will be in place from Monday 17 April until Friday 30 June, 24-hours a day, with three-way traffic lights in place. In order to reduce disruption to the local roads, the traffic lights will be manually controlled between 7.00am and 7.00pm. The location of the traffic management is shown on the map on page three. Our working hours will be 8.00am until 6.00pm Monday to Friday and 8.00am until 1.00pm on Saturdays.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltdresidents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (https://bit.ly/3oOA25j).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
