March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue our works for the construction of the Chattle Hill Structure that will carry the HS2 trainline over A446 Lichfield Road, we will undertake ground investigation works near Gorsey Way.

The ground investigation works will include the creation of trial holes to allow us to assess the condition of the ground. In order to complete this work safely, we will temporarily close the footpath between the A446 and Gorsey Way. The closure will be in place from Monday 3 April at 7.30am until Thursday 6 April at 5.30pm. There will be a diversion route in place throughout.
