Update: traffic impacts on Park Village East north

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

UK Power Networks substation install – 10 March to early April

UK Power Networks (UKPN) are installing a substation within the lorry lay-by at the northern end of Park Village East to provide power to our track-level worksite.

Vehicle traffic stopped for 15-minutes – 10 March

On 10 March we will remove the hoarding at the northern end of the lorry lay-by to provide access for UKPN. For safety, we will stop vehicle traffic at the northern end of Park Village East for about 15-minutes while we clear the hoarding. Traffic marshals will be onsite to warn motorists of the road closure to avoid congestion. We will then install temporary fencing between the lorry lay-by and 1 Park Village East. We apologise for any inconvenience this may cause.

Substation install in lorry lay-by – 13 March to early April

From 13 March, UKPN will work within the lay-by and the road next to 1 Park Village East to install and connect the substation. There will be periods of increased noise as they excavate the carriageway to install the power connection. We expect these works to take about two weeks to complete.

Once UKPN have finished we will keep the temporary fencing in place, as starting in April we will use this space to extend our hoarding and install a new pedestrian site access through the wall next to 1 Park Village East.

Temporary footway closure and parking bay suspensions on Park Village East north – 20 March

We carry out regular maintenance to the planter on Park Village East. On 20 March, we will close the footway and temporarily suspend three parking bays at the northern end of Park Village East to trim the overhanging trees and bushes. We are sorry for any inconvenience these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
