

Road closure on Frith Hill, South Heath Leg, Great Missenden

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notification is to inform you of some works on Frith Hill, South Heath Leg, that require a road closure.

What are we doing?

We are building the permanent access road for the Chiltern Tunnel North Portal from Frith Hill, where the existing site hoarding currently stands. This will be the main access route for maintenance vehicles accessing the ancillary building once construction works are complete and the railway line is operational.

The railway line also requires an electrical supply. To do this, UK Power Networks (UKPN) will excavate the highway on Frith Hill to install new underground cables, connecting the North Portal to their network.

To minimise disruption in the area, these works will be conducted together within the same road closure, taking place partly over the Easter holiday period.

How will this affect you?

Frith Hill, South Heath Leg, will be closed to traffic from:

- 13 March to 16 April

This will be a 24/7 continuous closure that will remain in place throughout the duration of the works. Diversion signage will be placed at the bottom of Frith Hill on the B485, and at the top of Frith Hill at its junction with Kings Lane. See map on page 2.

What about residents and pedestrians?

Residents' access will be maintained at all times. UKPN will liaise with residents directly with their programme of works.

The footpath will remain open to pedestrians as the trench will be safely fenced off on the opposite side of the road.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

What about the hoarding?

The hoarding panels will be removed whilst the works are conducted, and replaced with security fencing that will remain until the bellmouth is complete. We plan to reinstate the hoarding panels if possible.

Who should you contact if you have any issues with your electrical supply or the road closure?

Contact UKPN directly on: <https://www.ukpowernetworks.co.uk/help-and-contact> or 0800 029 4285

Has this closure been approved?

Align and UKPN have obtained consent from the local consenting authority, Buckinghamshire Council, to carry out the works.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
