

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

Due to adverse weather, there is some localised flooding that has created a road safety risk. While carrying out repairs to the damage we will be installing **two-way temporary traffic lights** to ensure a safe route for road users and our workforce

10 March to 17 March 2023

Temporary traffic lights will be in operation 24 hours per day. Our working hours will be 8am to 6pm Monday to Friday.

There will be no work taking place on Saturday, but the traffic lights will remain in place for public safety.
