

Notice of A452 Southbound Road Closure

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

UPDATE

We previously contacted you to advise that these night closures would finish on 18 March. These works have been delayed because of the snow and will now finish at 6am on 1 April

The work we will be doing

BBV have been significantly reconfiguring the junction of the A446 Stonebridge Road and A452 Chester Road near Birmingham Business Park. The new bridge over the A446 that carries the southbound slip road is already open to vehicular traffic, however as we move to completion some extra work is needed to create a pedestrian footway and some new laybys. To do this safely we will need to close the road at night between 6 March and 1 April from 9pm at night until 6am the following morning. A fully signed diversion will be in place. (See the map below)

Location Plan

Duration of works

6 March to 1 April from 9pm at night until 6am the following morning.

What to expect

Low level noise from our work.

Our work force maybe on site one hour before and one hour after the closure.

Fully signed diversion.

Delay to journey times following diversion.
