

Notice of utility surveys on Horsenden Lane South

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

From 24 to 29 April 2023 we will be carrying out a series of ground investigations on Horsenden Lane South.

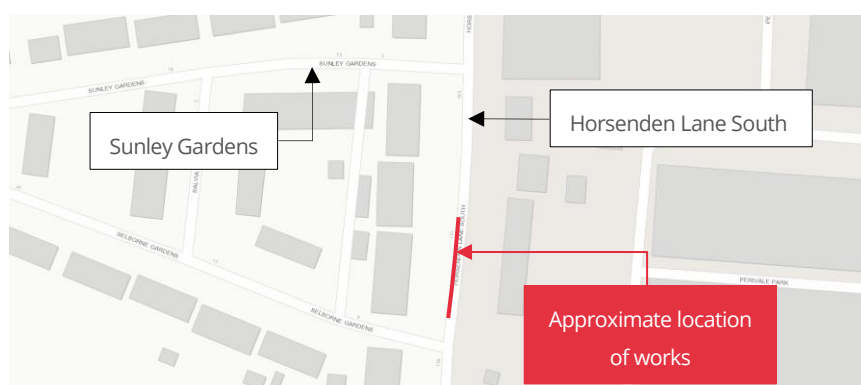

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road. The investigations will help us to understand and aid the design of the new railway and the best ways to protect or divert any utilities during construction.

The ground investigations will take place between 8am to 6pm Monday to Friday and 8am to 1pm Saturdays, if required. We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

Your utility services will not be affected during these works.

What to expect

To ensure the safety of the public and our staff, temporary changes will be in place on Horsenden Lane South between Selbourne Gardens and Sunley Gardens.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
