

Ground Investigations on Finchley Road

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Ground investigations in your area

From **1 May to 11 May 2023** (Phase one), **15 May to 2 June 2023** (Phase two), and **5 June to 16 June 2023** (Phase three) we will be carrying out a series of ground investigations on Finchley Road and Hilgrove Road.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road. The investigations will help us to understand the location of the utilities and the best ways to protect or divert any utilities during construction. It will also aid the design of the new railway. Your utility services will not be affected during these works.

This work will take place between **8am to 6pm Monday to Friday** and **8am to 1pm Saturdays**, if required.

We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, and work as efficiently as possible whilst keeping our work areas safe and tidy.

How will this affect you

To ensure the safety of the public and our staff, temporary changes will be in place on Finchley Road and surrounding roads (shown on the following page). The temporary changes will occur in two phases:

- Phase one: Lane closures on Finchley Road, Avenue Road, and College Crescent.
- Phase two: Lane closures on Finchley Road and Hilgrove Road. Bus stop and parking suspensions will be in place on Hilgrove Road and Finchley Road.
- Phase three: Lane closures and parking bay suspensions will be in place on Finchley Road.

Clearly signed diversion routes for vehicles and pedestrians will be in place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
