

Update: Notice of Works to Upgrade the Gas Main on Alperton Lane

High Speed Two (HS2) is the new high speed railway for Britain.

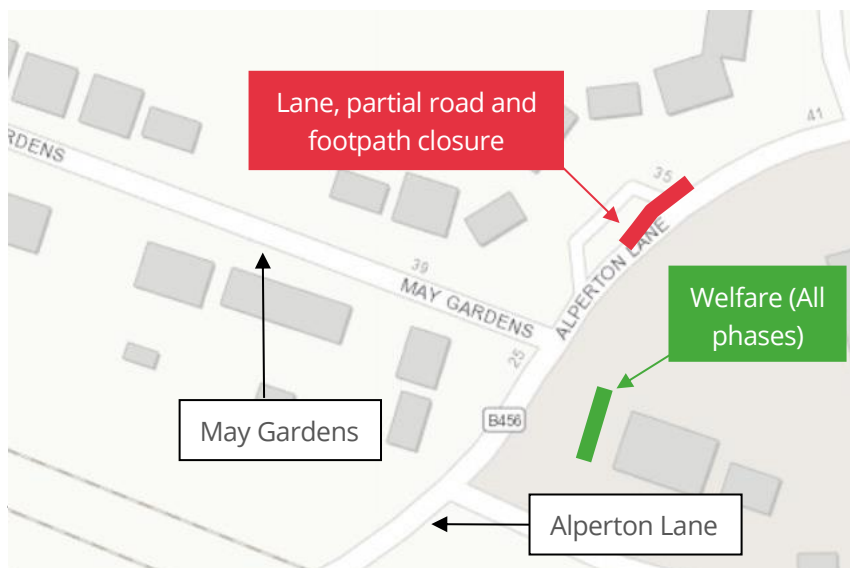

Gas main upgrading in your area

We recently wrote you in June 2023 about us carrying out works to upgrade the main gas pipe on Alperton Lane. The dates for these works have now been extended and will be completed by **25 August 2023**. You can view our previous notification about these works [here](#)

The works will take place between **8am to 6pm Monday to Friday** and **8am to 1pm Saturdays**, if required. We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

How will this affect you

To ensure the safety of the public and our staff, temporary changes will be in place on Alperton Lane. This will include a lane closure, partial footpath closure and parking suspensions on Alperton Lane.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on **08081 434 434** or email hs2enquiries@hs2.org.uk
