

Notice of traffic management on A446, Watton Lane and Gorsey Lane, Coleshill

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue to prepare for our works to construct the Chattle Hill Structure, that will carry the HS2 railway over the A446, we will complete works to install a piling mat.

Overnight closures and diversion

To complete these works safely, we will install five overnight closures along sections of the A446 and Gorsey Lane. The works will take place from Monday 15 May until the morning of Saturday 20 May, with closures installed from 8.00pm until 5.00am each evening. Resident's access will be maintained throughout - there will be a diversion whilst the closure is in place and access to Gorsey Lane will be maintained at all times via traffic marshals.

Duration of works

Overnight closures on the A446 to take place from 15 May until 20 May

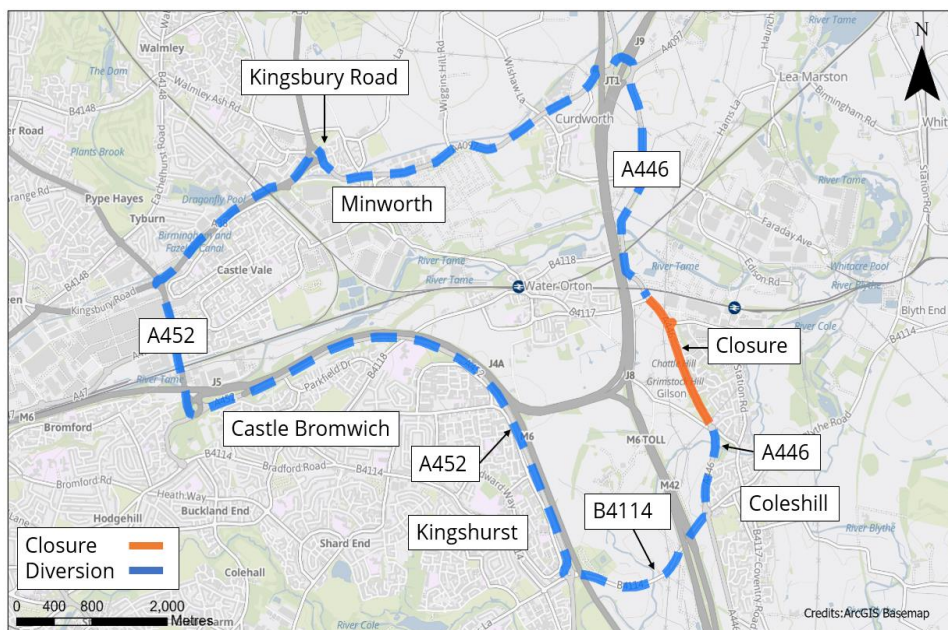

What to expect

A clear diversion route to be in place throughout the closure

Access to residents to be maintained throughout
