

# Notice of extended working hours for piling on Old Oak Common Lane

High Speed Two (HS2) is the new high speed railway for Britain. We previously wrote to you about works taking place along Old Oak Common Lane and the current lane closure. This is an update notice about works to power cables that involve extending working hours and piling works.

## Installation of Concrete Piles

The following works will be undertaken during extended hours along the east side embankment on Old Oak Common Lane:

- Disconnecting a section of the high voltage SSEN (Scottish and Southern Electricity Networks) cables which are close to the worksite,
- Preparatory works for piling operations including lowering of cables,
- Installation of concrete piles via continuous flight auger piling, which goes into the ground like a corkscrew.

Due to their proximity to the worksite, the cables will be disconnected outside normal working hours, so that the piling works to take place safely. **There will be no disruption to power supply for local residents** and we expect noise and vibration to be minimum as the works are located approximately 100m away from the nearest residential building.

### The works will be carried on:

- **Saturday 15 April** from 1pm to 6pm
- **Friday 21 April** from 6pm to 9pm
- **Saturday 22 April** from 1pm to 6pm

Works may also be required on Friday 28 April (6pm – 9pm) and Saturday 29 April (from 1pm – 6pm) but this is for contingency in the event an issue may arise on the above dates.

The work will be undertaken between the section shown on the map on Page 2.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Notification

### Duration of works

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
