

Notice of works, Marsh Lane Update

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As part of our preparatory works we are planning to divert the current watermain to Brook Farm away from the HS2 trace and look to reconnect to an existing watermain along Marsh Lane.

Firstly, we need to conduct some investigative utility trial holes along Marsh Lane, near Brook Farm to check for and correctly locate underground utilities within this area.

We will then begin the main utility works in March. Part of the works will involve Horizontal Directional Drilling (HDD). The HDD will be used to create the holes along the road and will pull the pipelines through. This will have minimal impact on the road and there should be no disruption to services.

For safety purposes, the HDD will be fenced and secured during the works.

There will be traffic management on Marsh Lane in the form of a road closure, however safe access to properties along the road will be maintained via traffic lights.

When will these works take place?

The main utility works are anticipated to begin on Monday 13th March – Friday 14 April 2023.

Please note during this closure residents may be asked about the purpose of their access through the closure.

Some of this work is subject to relevant consents and granted permissions from Buckinghamshire Council. Due to this, the dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

There may be a short duration outside of the advertised times to allow for our traffic management crews to set-up or take-down road signage and traffic equipment.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
