Notification

Notice of single lane closure between the new HS2 roundabout and the B4438 NEC longabout, 2 May to 5 May 2023

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're improving the local road network

We are remodelling and improving sections of the existing road network near Northway Island and creating new routes on HS2 land. These road improvements will ensure that when the future station is operational, the local road network is fit for purpose. Upon completion, a new T-junction will replace Northway Island. A new 'longabout' is already in operation outside the Holiday Inn Express NEC, on the way to the National Exhibition Centre (NEC).

To complete sections of the new highway areas, we need to do some works to the central reservation on the new road connecting the new HS2 roundabout to the B4438 NEC longabout. In order to do this work safely, we need to put in place a lane closure.

Single lane closure in place between 2 and 5 May

A single lane closure will be in place, northbound, between the new HS2 roundabout and the B4438 NEC longabout, 24 hours a day between 6am on 2 May and 8pm on 5 May (see map on page 2).

This work is subject to obtaining the relevant consents. There will be other works also being conducted in the area during this period, please see www.hs2insolihull.co.uk for details.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
