

Notice of works to the East of Euston Station

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Mace Dragados is the Construction Partner building the new HS2 station in Euston.

We will not proceed to the full construction of Euston station in the next two years. We will use this time to look again at the Euston station design to ensure that it is affordable and delivers for the local community and passengers.

Whilst most work on the station site will stop, some critical activities will continue.

Vodafone utility diversion works on Lidlington Place and Harrington Square from late April until late May 2023

What are we doing?

We are undertaking Vodafone utility diversion works in Lidlington Place and Harrington Square.

We will start laying ducting in Lidlington Place (south) towards Harrington Square, we will then cross over to Harrington Square (north) to continue towards Hampstead Road. This will reduce the need to have traffic signals and keep both roads open to traffic.

6 parking bays in Lidlington Place will need to be suspended.

Harrington Square will require two lanes to be closed from the junction of Harrington Square and Lidlington Place towards Hampstead Road, one lane will remain open all times for vehicles to turn onto Hamstead Road.

Pedestrian access will remain with diversions in place.

When will these works take place?

From late April to late May.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Vodafone utility diversion works on Lidlington Place and Harrington Square

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect utility connections in the areas.

Updates will be sent to you regularly outlining the next stages of works in the area including any alterations to the programme. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
