## Notice of Thames Water work on Gloucester Avenue

April 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

### Thames Water update

Following our trial holes and surveys in the area, we now need to carry out work on our sewer on behalf of HS2.

We will be installing a protective liner in the sewer, to protect it from the tunnel boring machine that HS2 will be using to build the new railway. Access to the sewer to install the liner will be provided by two shafts. There is already one shaft in place and the second one will need to be built.

### Our work

From Tuesday 30 May 2023 to early 2024 we will be working outside Darwin Court and in the east bound lane on Gloucester Avenue between Oval Road and the junction with Regents Park Road.

The footpath next to Darwin Court will be closed. There will be a diversion signs and a temporary crossing in place, access to Darwin Court will be maintained at all times.

The bus stop on eastern lane will be suspended, the nearest stop for 274 bus will be opposite St Mark's Church.

We will suspend 17 parking bays; traffic will be diverted via Gloucester Avenue Junction – Regent's Park Road - St. Mark's Square - Prince Albert Road.

We apologise for inconvenience this works will cause. We will be using soundproofing barriers to keep noise and disruption to a minimum.
