

# Crane Delivery to Adelaide Road site

April 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Crane delivery to site

On **Saturday 15 April**, a large crane and other equipment has been scheduled for delivery to the Adelaide Road site, before 8am, outside our core working hours. This date is subject to change, and the delivery may be rescheduled to **Saturday 22 April**.

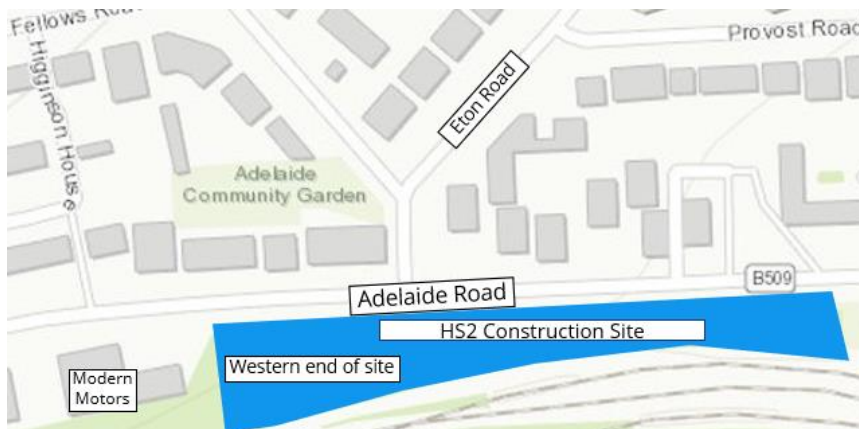

To manage delivery of the crane safely, the crane must arrive before 8am, during minimal traffic flow on planned routes.

We will start work from 8am to set up the crane. The crane will be visible at the western end of the site and will complete four lifts of equipment. Work will finish before 6pm.

## How will this affect you?

You may hear reversing signals and engine noise during deliveries. We will be monitoring the noise levels throughout these works to ensure minimal disruption to local residents.

We apologise for any inconvenience this work may cause.

The dates for this work might change. We'll provide updates at [hs2.org.uk/in-your-area/](http://hs2.org.uk/in-your-area/)

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**
