

Notification

Lane closures on Parkway and Delancey Street – 9 to 27 May

April 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

No left-hand turn from Delancey Street onto Parkway

We will close the lanes on the corner of Parkway and Delancey Street to make way for surveys and utility works within the road.

From 9 to 27 May, there will be no left-hand turn from Delancey Street onto Parkway. We will divert traffic via Gloucester Avenue, Regent's Park Road, St Mark's Square and Prince Albert Road.

Cyclist and pedestrian access will not be impacted by these lane closures. We will maintain the pedestrian crossings and cycles lanes across the junction.

Where possible, we coordinate our works with other contractors to limit the impact on residents, businesses, and traffic. UK Power Networks will work in this area from 9 to 13 May. We will then carry out a trial hole in the same area from 15 to 27 May.

There may be periods of increased noise as we excavate the road to expose utility services, and as we fill in these holes once the works are complete. We will use acoustic blankets to limit noise where possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
