

Notice of traffic management on A446 and Watton Lane, Coleshill

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue to prepare for our works to construct the Chattle Hill Structure that will carry the HS2 railway over the A446, we will complete utility diversions along the A446 and Watton Lane.

Traffic management

To complete the utility diversion works safely, we will install traffic management on the A446 and Watton Lane.

The traffic management will be in place from Monday 22 May until Friday 11 August, 24-hours a day, with three-way traffic lights in place. In order to reduce disruption to the local roads, the traffic lights will be manually controlled between 7.00am and 7.00pm. The location of the traffic management is shown on the map below. Our working hours will be 8.00am until 6.00pm Monday to Friday and 8.00am until 1.00pm on Saturdays.
