

# Notice of works, Brook Farm Update

May 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

As part of our preparatory works, we are planning to divert the current watermain for Brook Farm away from the HS2 line and look to reconnect to an existing watermain along Marsh Lane.

Near Brook Farm we will continue with main works, including an open cut trench for the watermain installation. Once the work is complete, the trench will be backfilled and the ground surface reinstated.

There will be a road closure on Marsh Lane, however safe access to properties along the road will be maintained via traffic lights.

## When will these works take place?

The Brook Farm utility works are anticipated to begin on Tuesday 30 May to Friday 2 June 2023.

Please note during this closure residents and their visitors may be asked about the purpose of their access through the closure.

Some of this work is subject to relevant consents and granted permissions from Buckinghamshire Council. Due to this, the dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
